## World Day of the Poor

15th November 2020

*Stretch forth your hand to the poor' (Sir 7:32).*

Age-old wisdom has proposed these words as a sacred rule to be followed in life. Today these words remain as timely as ever. They help us fix our gaze on what is essential and overcome the barriers of indifference. Poverty always appears in a variety of guises, and calls for attention to each particular situation. In all of these, we have opportunity to encounter the Lord Jesus, who has revealed himself as present in the least of his brothers and sisters (cf. Mt 25:40).

**Pope Francis, World Day of the Poor Message, 2020.**

## Reflection

In his Message Pope Francis says that "prayer to God and solidarity with the poor and suffering are inseparable" (n2). How are prayer and solidarity with the poor and suffering connected in your life? How are they connected in the life of your parish or school community, or that of a Catholic organisation or movement in which you are involved? Who is being 'left behind' in our national community's response to COVID-19? What can you/ we do about it? Has the pandemic helped you to rediscover "the importance of simplicity" or keep your "eyes fixed on the essentials" (n6).

## Presentation of the Blessed Virgin Mary

Feast Day: November 21

When Mary was asked to be the mother of the Saviour, she was completely free to accept or reject the offer. Her response, "Let it be done to me," was a great act of faith. Because she did not understand what was happening, she must have known that there would be difficulties ahead.

She replied yes to the angel's announcement and agreed to become the mother of Jesus, and the Church has declared Mary to be the Mother of God. Because she was the first to say yes to the Messiah, the Church has declared her to be the Mother of the Church.

The feast of the Presentation of Mary dates back to the 6th century in the East and the 15th century in the West. It is based on an ancient tradition that says Mary was taken to the temple in Jerusalem when she was 3 years old, and dedicated to God. What we celebrate on this day is the fact that God chose to dwell in Mary in a very special way. In response, Mary placed her whole self at the service of God. Every moment since your Baptism, God invites you to be open to His grace and dedicate yourself to Him, as Mary did.

## Foodbank

### "Thank you" from the House of Welcome

Thank you so much for organising the food drive for House of Welcome...

House of Welcome really appreciates your generous donation, which provides a vital support for people seeking asylum living in the community. As you may be aware, people seeking asylum are not entitled to any Centrelink payments, therefore House of Welcome supports many people who have little to no income. With the added impact of COVID and exclusion of people seeking asylum from Jobseeker and Jobkeeper payments, there has been an increased demand on our foodbank service.

We are so grateful to receive your food donation, so that we can continue our work to ensure that the people we support have the basic need of food met. Additionally, the support from schools and parishes is a meaningful act of solidarity for our clients, reminding them that they are valued in the Australian community and have not been forgotten during these difficult times. Thank you for your support!

# Year 2 Excursion

Friday, 6 November

On Friday the 6th of November Year 2 went on an excursion to Sydney Zoo. Year 2 had a great day learning about the Aboriginal culture and seeing all the wonderful animals in their enclosures. Here are a few recounts from our students explaining their day.

*On Friday 6th of November, year 2 went to Sydney Zoo for an excursion.*

*First we jumped on the bus and drove, everyone was excited and noisy on the way to Sydney Zoo.*

*Next we went to a special workshop and I learned about indigenous people. How they trades items for other things they did not have. They would kill animals to feed and used the fluffy possum skin for the baby's cot and for clothes. We then got our face painted. Boys got stripes and girls got spots.*

*After that we explored more about the zoo and the animals like the red pandas, dingoes, emus, koalas and more!*

*Then we had a break, ate lunch and went inside the aquarium and reptiles exhibit. We saw snakes, lizards, fish, penguins, huge fish and turtles.*

*Finally we looked a bit more and hopped back on the bus back to school.*

Mission Week

As part of Stage 3's Studies of Religion, children have been learning about the marginalised in our community. During Mission week, Stage 3 (Years 5 & 6) invited children from Kindergarten to Year 4 to join in being "the hands of Christ".

One of the ways children were asked to help was by the "Thank you Project" where children wrote cards thanking people in the community for their contributions. These cards were sent to a Nursing Home in Port Macquarie and brightened the day of these lovely seniors.
