The cast and crew of 'Give Me Some Space'

Give me some Space! ...

On 27th May, a group of Year 5 students performed a play based on the book, **Give Me Some Space!** by Philip Bunting. The performance was for Kindergarten, Year 1 and Year 2 students and the children loved it!

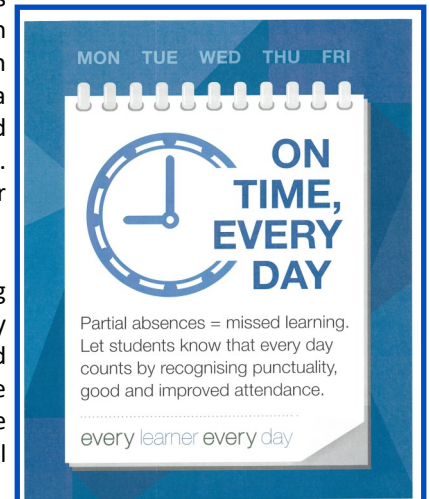

Late Arrival / Early Departures from School

The Catholic Education Office Diocese of Parramatta is focusing heavily on student attendance and particularly, late arrivals and early departures from school.

Not only do partial absences amount to missed learning time for your children, they interrupt learning for other children. While we understand that there are some times when you cannot avoid being late, we ask that you make a concerted effort to please get your children to school on time.

A bigger interruption to teaching time is however the amount of people who sign their children out early—often for no particular reason. These departures are a major interruption in classes. Some classes can be called up to 6 times in a one hour period to send children to the office. Please avoid signing your children out early.

Office staff will be asking for a specific reason why you are taking your child home early and this will be recorded as an attendance note in your child's school record.
